As Tall As Lions

A warm sweater of sounds woven from the fabric of art rock and held together with the threads of indie pop. Murmurs of hopeful lyrics. Gurgling brooks of tantalizing sonic obscurity. They are As Tall as Lions but you should not fear them...

 - Keyavash Nourai & Shahrokh Yadegari - Migrations

[Keyavash Nourai & Shahrokh Yadegari](#) — **Migrations** [Buy it at Amazon](#)

 [Buy it from InSound](#)

Ambient Persian music that’s a mixture of tradition and otherworldly devices—a true “Migration” if you will. Keyavash Nourai provides the violin while Shahrokh Yadegari utilizes self-built music software dubbed “Lila”, and a madness of sonic obtuseness unfolds. Incredibly dark yet brilliantly magical, “Migration” is a stirring rendition of music fit to be played alongside some neo-field recording ambient drone album. Intriguing!
